

LOCATION

Dehesa de Solanillos, Mazarete (Guadalajara). This area was devastated by fire in 2005 and since then it is being environmentally and socially restored thanks to activities such as SWY Forest.

2 hour-drive from Madrid.
1 hour-drive from Guadalajara.

Vegetable garden

Wild life centre

Solar power system

Greenhouse

DATE

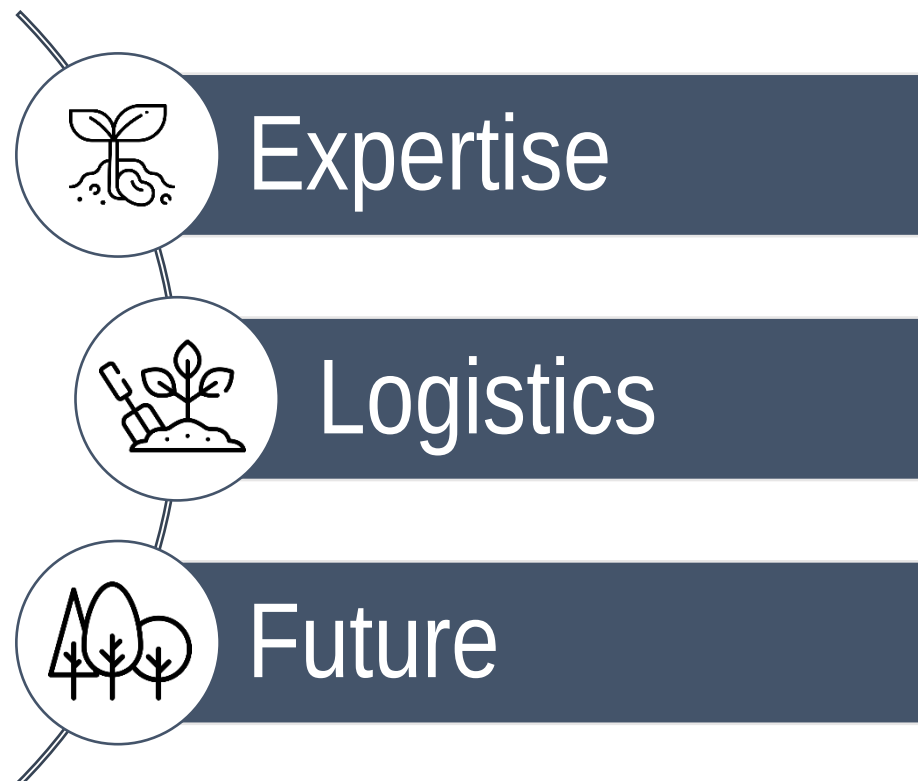

Do you want to join SWY Forest
planting day?

More details coming soon.

Why 7th October?

- Appropriate season for planting
- Good weather
- Not coincident with Spanish bank holidays
- Compatible with Oman GA attendance

TOGETHER WITH...

They know the area, the species and real needs.

Own greenhouse, tools, facilities.

Ensure the plantation, care of trees, part of bigger project

WHO JOINED?

70 people participated

Around **350 trees (pines, oaks & ash trees)** were planted that day and the rest of the **900 trees** that will make up the SWY forest will be planted by students or other groups interested in recovering the natural area.
